

# 2019 Albariño Edna Valley

CRU® is a registered trademark of CRU Winery (a DBA of Mariposa Wine Co.).

## VINEYARD

Paragon Vineyard, Edna Valley

Edna Valley is the coolest growing region in all of California at a mere 5.4 miles from the Pacific Ocean. The ocean's influence creates an unusually long growing season and allows the fruit in these vineyards to ripen to its full flavor while preserving its trademark lively acidity. In short, the Edna Valley is one of the best places on earth for growing pure, vibrant white wine grapes.

## WINE ANALYSIS

RS	<b>0.5 g/l</b>	Appellation	<b>Edna Valley</b>
pH	<b>3.32</b>	Aging Process	<b>Stainless Steel Tanks</b>
Finished Alcohol	<b>13.8%</b>		
Case Production	<b>530</b>		

## APPELLATION DETAIL

Edna Valley, Central Coast

## TASTING NOTES

The 2019 CRU Albariño is a lovely example of how aging in stainless steel brings out the true essence of this wine. The fermentation enhances the natural bright fruit characteristics found in Albariño, intensifying the zingy notes of lime, green apple and peach on the nose. The bright aromas lead into flavors of citrus and spice with a light note of sponge cake on the long finish.

The acidity in this Albariño pairs beautifully with rich sauces and seafood. Try it with fresh pasta and shrimp in a creamy Alfredo sauce or crab melts topped with avocado and Gruyère cheese.

## RELEASE DATE

SUMMER 2020
