VINEYARD French Camp, Paso Robles Highlands District

The 2020 CRU GSM was sourced from the French Camp Vineyard in the Paso Robles Highlands District. Located just north of the Temblor Mountains at the southeastern corner of the Paso Robles AVA, French Camp Vineyard has one of the more unique terroirs (combination of rainfall, temperature, and soils) for growing grapes in California.

TASTING NOTES

GSM stands for Grenache, Syrah and Mourvèdre, three grapes traditionally grown and blended together in the Rhône region of France. We took inspiration from this classic blend to create our own GSM wine that showcases the red fruits and rich flavors GSM blends are known for.

This complex wine opens with dark jammy fruit notes of raspberry and blackberry that develop into aromas of dark chocolate with a hint of black pepper. The mouth is packed with flavors of red apple, blackberry and plum which lead into the long, rich finish.

The abundance of flavors in this wine makes it ideal for pairing with big flavors. We recommend trying it with Korean short ribs.
